Remember, Mrs. Dr. Morton is the greatest show and cut flower variety on the market today. We planted five bushels of bulblets of this variety and if you want first class planting stock send to us.

We guarantee all our stock true to name, free of disease and up to size.

We have just completed a scientifically built cellar for the purpose of curing all forcing size bulbs. Bulbs are cured and ready to force when shipped.

ORDER BLANK

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.
